Overview

ONNY Coffee is a warm and playful coffee brand inspired by the idea of connection, comfort, and sisterhood. The identity combines a friendly personality with a modern and memorable visual style

Design Concept

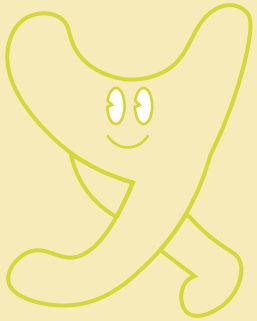

The visual identity is built around a stylized coffee cup and the letter “Y”, creating a distinctive character that feels playful, welcoming, and approachable. The soft blue color reinforces a sense of calm, warmth, and friendliness.

Design Process

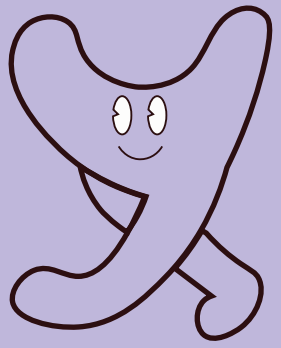

The design process focused on transforming the core idea into a simple visual language. The logo was developed through organic letterforms and a recognizable icon, while the character was created to give the brand a more human and memorable personality.

CONCEPTS 01 A TABLE / HAMZA SELLMY COLLABORATION

À Table × Hamza Sellmy brings together an artisanal grocery and a Tunisian visual artist around one belief: beauty lives in simple things. On one side, À Table, with its homemade small-batch jams and local flavors. On the other, Hamza Sellemi, whose colorful, gentle and sincere universe blends emotion, identity and contemporary storytelling. From this meeting comes
“La Sélection,” a limited collection of jams where each jar is a small illustrated bouquet: a decorated vase, a face, fruits that change with each flavor, and a signature color for every taste. More than a product, it is a collectible object that speaks to the taste buds and the heart alike.

The Brand

À Table is much more than a simple grocery store: it's a place where authenticity, artisanal craftsmanship, and the pleasure of good food come together.

Born from a passion for homemade products and local flavors, our grocery store offers a refined selection of artisanal jams, local specialties, and gourmet creations, carefully crafted in small batches.

The Artist

Hamza Sellmy is a Tunisian visual artist known for his distinctive graphic universe, blending emotion, identity, and contemporary storytelling. Through his illustrations and artworks, he explores profound themes with a poetic, colorful, and often socially engaged approach.

A TABLE / HAMZA SELLMY

I chose to bring Hamza Sellemi and À Table together for this collaboration because they share a common vision: celebrating authentic simplicity through vibrant, warm colors and creative expression. Hamza's style, both gentle and sincere yet full of color, perfectly complements À Table's world — an artisanal grocery store that celebrates simple ingredients with rich, authentic flavors.

This collaboration was born from a desire to celebrate the beauty of everyday things, tell a story through taste and imagery, and create a product that speaks not only to the taste buds, but also to the heart.
